

# LET'S GO FLY A KITE!

**Saturday, May 11  
12:00pm to 2:00pm**

## JOHNSONS PARK

**1919 W. Fond du Lac Ave**

Children and families are invited to come out to Johnsons Park for an afternoon of kite designing and kite flying, led by Gift of Wings (1300 N. Lincoln Memorial Drive), sponsored by the Johnsons Park Neighborhood Association, Friends of Johnsons Park, Milwaukee County Parks, Center for Resilient Cities and Alice's Garden. The joy and fun of seeing kites in the sky will fill the park air! Come learn how to fly a kite, or, if you are an old pro at kite flying, bring your kite and expertise to the park to help show others how it is done. This event is FREE to the public! Pack a lunch for your family and enjoy an afternoon in Johnsons Park! For more information, contact Venice Williams at 414.687.0122 or [venicewb@msn.com](mailto:venicewb@msn.com).
